**STIPULATION**

The parties hereby stipulate to the following matters:

1. Michael C. Puckett, Sr. (“petitioner”) filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the “Vaccine Program”), on behalf of the estate of his daughter, Amanda Nichole Puckett (“Ms. Puckett”). The petition seeks compensation for Ms. Puckett’s death allegedly related to her receipt of the human papillomavirus (“HPV”) vaccine, which vaccine is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3 (a).
2. Ms. Puckett received the HPV vaccine on or about June 22, 2013, and August 22, 2013.
3. The vaccine was administered within the United States.
4. Petitioner alleges that the HPV vaccine caused Ms. Puckett to develop cardiac arrhythmia, which resulted in her death on August 25, 2013.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages as a result of Ms. Puckett’s condition or her death.

6. Respondent denies that the HPV vaccine is the cause of Ms. Puckett's alleged cardiac arrhythmia or any other injury or her death.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioners have filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payment:

A lump sum of **\$175,000.00** in the form of a check payable to petitioner as the legal representative of the Estate of Amanda Nichole Puckett. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and his attorney represents that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

11. Payment made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. Petitioner represents that he presently is, or within 90 days of the date of judgment will become, duly authorized to serve as legal representative of the Estate of Amanda Nichole Puckett under the laws of the State of Illinois. No payments pursuant to this Stipulation shall be made until petitioner provides the Secretary with documentation establishing his appointment as legal representative of the Estate of Amanda Nichole Puckett. If petitioner is not authorized by a court of competent jurisdiction to serve as legal representative of the Estate of Amanda Nichole Puckett at the time a payment pursuant to this Stipulation is to be made, any such payment shall be paid to the party or parties appointed by a court of competent jurisdiction to serve as legal representative of the Estate of Amanda Nichole Puckett upon submission of written documentation of such appointment to the Secretary.

13. In return for the payments described in paragraphs 8 and 9, petitioner, in his individual capacity and as legal representative of the Estate of Amanda Nichole Puckett, on behalf of himself, the estate of Ms. Puckett, and her heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of Ms.

Puckett resulting from, or alleged to have resulted from, the HPV vaccinations administered on June 22, 2013, and August 22, 2013, as alleged by petitioner in a petition for vaccine compensation filed on or about August 25, 2015, in the United States Court of Federal Claims as petition No. 15-929V.

14. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

15. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages.

16. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the HPV vaccines caused Ms. Puckett's alleged cardiac arrhythmia, or any other injury, or her subsequent death.

17. All rights and obligations of petitioner in his capacity as the representative of the Estate of Amanda Nichole Puckett shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.
